Richmond Ferry President Weds Here Thanksgiving Day

Schellville Farmer Badly Burned When Tractor Takes Fire

CHARLES VAN DAMME AND ALICE MEAD MARRIED THURSDAY

Prominent Ferry Company Executive Claims Sweetheart of Long Ago As His Bride.

Charles VanDamme, president of the Richmond-San Rafael Ferry Company and owner of a beautiful country home in Sonoma Valley, was married here on Thanksgiving Day to Mrs. Alice Mead, of Alameda, widow of the famous restaurant man whose chain of eating places is widely known.

Van Damme is separated from his first wife, and after Mr. Mead passed away, he renewed friendship with the beautiful widow, who 20 years ago had been his sweetheart. The couple's early day romance culminated in their decision to wed, and for some time past the handsome country home of Van Damme has been undergoing many fine improvements in anticipation of the happy event.

On Thanksgiving Day the couple journeyed to the Valley of the Moon and in the presence of close friends and relatives the ceremony was quietly performed. Mr. and Mrs. Van Damme contemplate a honeymoon trip to Honolulu.

The bride is a woman of many charming attainments and is highly esteemed in the Encinal City, where she has long resided. Her fair type of beauty and engaging personality has made her generally admired.

VanDamme is prominent in transportation circles and has made a big success of the ferry company which he heads. He has done much to develop this part of Sonoma county through the good service of his company. Some years ago he purchased the former Rochat, or W. S. Miller place here, one of the finest country homes in the vicinity.

CHARLESTON EVENT AT CONEY ISLAND

The prize contenders in the big Charleston contest which has been in progress at Coney Island, under the direction of Louis Parente, will be seen tonight for the exhibition finals. A couple from Santa Rosa is said to be in the lead for the big money, with other couples close seconds. A big crowd is expected to witness the final try-out.

SUCCESSFUL DANCE OF THE PAST WEEK

The Glen Ellen Native Sons had a very successful dance for the homeless children's fund last Saturday evening, at the Jack London auditorium. There was a big crowd, good music and tempting refreshments. Proceeds were very satisfactory.

The Y. M. I., whose Thanksgiving eve dances are an event each year in Sonoma, had a very nice dance on Wednesday at Union Hall. The music was all that could be desired, the floor well managed and a committee of Y. L. I. ladies dispensed refreshments. All who attended report the Y. M. I. dance a very enjoyable one.

The Fighting Wood Chopper Gets the Axe

They gave William Kent, the Fighting Wood Chopper of Sonoma, "the axe" over in Petaluma at the Athletic Club exhibition on Tuesday night. Kent took the count in the presence of twenty or more fans and fanettes from his hometown. He boxed Joe Harn, and when Joe wound up and delivered a regular haymaker which connected with Kent's jaw, the latter saw a whole galaxy of stars and then went to sleep for a while. He didn't just quite know what it was all about, but was sure that one bout was enough.

BELOVED MOTHER TO BE LAID TO REST

Eliza Pancrazi, mother of the well known Glen Ellen family, who for many years conducted the Roma Hotel at that place, passed away in San Francisco Wednesday morning at 1 o'clock. The esteemed and beloved mother succumbed to an operation performed in the hope of saving her life, but the dread malady from which she suffered had progressed too far. The best of medical aid and nursing availed not, and death came as a surprise to her suffering. Her children had all been summoned to her bedside and were with their mother during the last sad hours.

To the funeral parlors of Valente and Marini, in San Francisco, where the remains reposed until today, the most beautiful floral offerings were sent as silent tribute of the many friends who knew Mrs. Pancrazi during her many years' residence in this county. The family were the recipients of many messages of condolence from many friends, including friends and neighbors in Sonoma Valley where deceased had so long resided and where all that is mortal of the good woman will be brought today.

The remains will arrive from San Francisco on the morning train and a requiem high mass will be celebrated at St. Francis church at 12 o'clock. Interment will be in Mountain cemetery.

The late Mrs. Pancrazi was the wife of G. Pancrazi, of Glen Ellen, and had resided in this valley for 32 years. She here reared her three daughters, Mrs. J. Paganucci, Mrs. Tom Laird and Marian Pancrazi, all now residents of San Francisco, and Julius Pancrazi, of Glen Ellen.

She was most devoted to her family and despite her busy life in conducting the hotel, which became famous because of her fine cooking, she raised her children with all the fond care a mother could bestow. She was a good neighbor and a loyal friend, and will be greatly missed by the family circle and all who knew her.

Deceased was 56 years of age and a native of Italy.

George Caviglia has purchased a Diana straight eight roadster. His former classy Kissel car was destroyed by fire, but George is certainly traveling about in style again.

Dave Bertola Killed and Donald Geary Hurt In Accident On Santa Rosa Highway

Carl Bundschu, brother of Walter Bundschu of this place, and member of the pioneer Gundlach-Bundschu families, was almost killed in an automobile accident on the Sonoma-Santa Rosa highway on Wednesday night. One of his companions, Dave Bertola, was killed outright; another, Donald Geary, is seriously hurt, and Bundschu is suffering from six broken ribs, possible puncture of the lung and head wounds. Bundschu has a fighting chance for life, so his doctors declare.

The accident happened when the car driven by the Santa Rosans crashed into a machine without lights which had pulled to the side of the road for repairs, so its owner, George Prentice, declared. The powerful roadster in which Bundschu and his friends were returning from Suisun, struck the Prentice car, clipped the left rear wheel off, careened across the highway and overturned twice.

The driver of the car, Bertola, was caught beneath the wreck and his life crushed out. The injured men were rushed to a Santa Rosa hospital by F. W. Thurberg, of Kenwood. Bundschu was at first thought to be fatally injured, but Dr. Bogle of Santa Rosa and Dr. Eloesen of San Francisco, the latter summoned by Mr. Bundschu's mother, declare that if no complications set in, the insurance man will recover.

Carl Bundschu is one of the most popular business men in Sonoma county, prominent in civic and club circles, endowed with genial personality and widely known. He has a legion of friends who will hope for his recovery. The family has long been prominently identified with the grape growing and wine making industry of Sonoma county and Bundschu was formerly connected with the firm's San Francisco offices. Of late years he has resided in Santa Rosa, with his wife and family.

He had recently associated himself with the Haegelin pickle works of Santa Rosa, and with his attorney, Donald Geary, had been to Suisun on business connected with the new concern. He was enroute home when the accident occurred, about 7 o'clock.

The Walter Bundschus had gone to Berkeley to spend Thanksgiving but immediately upon hearing of the collision in which his brother was seriously hurt, Walter Bundschu motored to San Francisco, and with his mother hastened to Santa Rosa.

BOYES IMPROVEMENT CLUB IS VERY ACTIVE SONOMA ODD FELLOWS MOTOR TO WINDSOR

The Boyes Springs Improvement Club had a well attended meeting on Monday night and decided to give a turkey whist party on December 2. Fat turkeys and other holiday prizes will be offered and the ladies plan delicious Christmas "eats."

Officers for the ensuing term were placed in nomination by the club, as follows:

L. Mouyer and S. Rosenthal, president.

J. W. Mingos, vice president.

Mr. Brewster, secretary.

N. Kramer, treasurer.

Trustees nominated were Bob Liaros, Jack Main, Mrs. Mouyer, Mrs. Lewis and Mrs. Blesch.

A district meeting of Odd Fellows was held Saturday night at Windsor with Deputy District Grand Master H. A. Jensen of Windsor presiding. Officers and members of lodges from Santa Rosa, Guerneville, Geyserville, Forestville, Sebastopol, Healdsburg and Sonoma were in attendance.

The Oriental degree, a side degree, was conferred upon a large class of candidates. Judge R. L. Thompson gave a splendid address and at midnight a bountiful repast was served.

Among those from here taking the degree were R. C. Bancroft, Ernest Bancroft, Robert Able, F. E. Giorno, F. J. B. Knolle, Roy Bill, R. A. Pauli, William Wright, Phillip Bill, Harry Cordell and J. Basileu.

The turkey whist party given by the Sonoma Valley Improvement Club of Fettes Springs, at the spacious club house of the organization Wednesday evening was one of the most successful affairs in the history of the club. Everyone had a good time and the competition for the big gobblers was keen, with Selig Gross winning first prize, his score at whist being 154, and Alvin Johnson quaffing as second with a score of 150. Other lucky ones were F. Geurke, Mrs. Weaver, Gladys Geurke, and Watson Hicken. A feature of the evening was the dances, old and new, the former, a Virginia reel directed by Messrs. Beach and Jones, and the latter, the Charleston, interpreted by Miss Odette Reynaud and Dave Cohen.

The club committee was well pleased with the success of the party and invite all to come again.

"Pie Face" Is Now A Very Happy Term

Cheer up. If you cannot keep your permit to make 200 gallons of fruit juice, you can at least have mince pie these holiday times with brandy in it. Prohibition Director Green says old fashioned mince pie with a kick in it will be O. K., provided the cooks don't try to overload the pie. Who cares for fruit juice permits when brandied mince pie is a possibility? For some time past manufacturers have been making mince meat with a "kick" in it, and so declared on the packages. Now the cook is permitted to season his own. Some crust!

JOE ECKERSLEY KILLED ON TRIP TO SONOMA

Loose gravel along the Black Point cut-off near the Foster ranch claimed another victim Wednesday when the Maxwell sedan, driven by Mike Driscoll, of San Francisco, skidded and overturned, killing Joe Eckersley, a companion, and slightly injuring a third occupant, A. W. Hinds.

The accident happened shortly after 1 o'clock p. m., as Eckersley and his friends were enroute to Sonoma Valley to buy turkeys for the holidays. The car careened and went into a ditch 62 feet from where it left the road. Eckersley, who was in the front seat, had his skull frightfully crushed, and died almost instantly. The other men were badly bruised and shaken up.

R. A. Lindsay and family of San Francisco, and Gus Miller, of El Verano, came upon the scene of the accident shortly after it happened, gave first aid and summoned Deputy Sheriff Mullen. The accident was pronounced unavoidable and the remains of the unfortunate victim were removed to Sonoma by Deputy Coroner H. F. Bates.

Eckersley was a member of the International Brotherhood of Steam Shovel and Dredgermen. He was 45 years of age, and unmarried. Coroner Frank Phillips was summoned and an inquest held.

FETTERS SPRINGS CLUB HAD A FINE CROWD

The turkey whist party given by the Sonoma Valley Improvement Club of Fettes Springs, at the spacious club house of the organization Wednesday evening was one of the most successful affairs in the history of the club. Everyone had a good time and the competition for the big gobblers was keen, with Selig Gross winning first prize, his score at whist being 154, and Alvin Johnson quaffing as second with a score of 150. Other lucky ones were F. Geurke, Mrs. Weaver, Gladys Geurke, and Watson Hicken. A feature of the evening was the dances, old and new, the former, a Virginia reel directed by Messrs. Beach and Jones, and the latter, the Charleston, interpreted by Miss Odette Reynaud and Dave Cohen.

The club committee was well pleased with the success of the party and invite all to come again.

TONY MARCUCCI IS VICTIM OF BAD ACCIDENT

Prominent Young Rancher Fights For Life As Clothes Catch Fire From Gasoline Explosion.

Tonyn Marcucci, prominent young farmer of the Schellville section, met with a very serious accident at his ranch Friday morning at 9 o'clock when his tractor took fire, igniting his clothes and badly burning him from waist to neck.

Just how the tractor burst into flames is not known, but Marcucci evidently gave battle to the fire, with the result that he himself was immediately enveloped in flames. His wife, hearing cries from the field, looked from the kitchen door to see her husband all afire. She rushed to his aid and found him rolling in the dirt, attempting to extinguish the flames. Mrs. Marcucci, with rare presence of mind, grabbed up some sacks and succeeded in putting out the fire, but not before the victim of the accident had been frightfully burned, the clothing he wore being almost totally destroyed.

Dr. A. K. McGrath was summoned and had Marcucci conveyed to the Burnside hospital, where an examination revealed that his burns, while very painful, were evidently only first degree burns and not deep enough to endanger his life. He will, however, be confined to the hospital for many weeks.

Tony Marcucci is one of the most successful and popular farmers of the Embarcadero and has a host of friends who will eagerly await good news from his bedside.

THANKSGIVING WAS OBSERVED HERE

Thanksgiving was observed in Sonoma with sunrise union prayer service at the Congregational church, the closing of schools and business houses and many family reunion dinners.

The sunrise service at 7:30 brought out a goodly crowd who offered thanks for the bounty and goodness of the Almighty this season. Following the meeting, conducted by Rev. Cookman, the ladies of the church served breakfast to those who had come from distant points.

MRS. ELIZA SHEPARD STARTS HOME DEC. 1

Mrs. Eliza Shepard, national president of the American Legion Auxiliary, with headquarters at Indianapolis, will start home from the East on December 1st, and expects to arrive at the Jack London ranch, Glen Ellen, about December 6th. She has announced that she will immediately take formal steps to have the State of California lease the Buena Vista farm to the American Legion for its orphanage, which will be one of three in the United States.

Mrs. Shepard will be warmly welcomed home and many affairs are planned in her honor.

Ruling On Wine Permit Edict Issued By District Attorney

"The new ruling of the treasury secretary in the revoking of permits for the manufacture of 200 gallons of wine for use in the home may prevent the further issuance of permits for home wine manufacture," District Attorney George W. Hoyle has stated. "But I don't think it can affect permits which have already been issued or householders who have already manufactured wine under these permits."

"It is my personal opinion, however, that the new ruling cannot be enforced. I think that the householders who have wine in their possession, manufactured under the permit issued by the federal government, are entitled to hold the wine for their own consumption, and I do not believe that the revoking of the permit will change the status of the wine in their possession."

"Treasury secretaries may issue edicts which are good unless overruled by a decision of the Supreme Court of the United States. I believe that the issuance of permits has been done under a supreme court ruling which declares it legal for householders to manufacture 200 gallons of fruit juices for their own consumption."

"I don't believe that the revoking of the permits by Assistant Secretary of the Treasury Andrews will have any effect on Sonoma county residents who have been manufacturing wine under government permit."

EL VERANO NEWS

By ARCHIBALD McKIVER

Sheriff Ryan arrested last week at Healdsburg two butchers who had been looting a slaughter house at that city for several months past.

They were taken to Santa Rosa and confessed that they were the men wanted. On Friday Sheriff Joe nabbed a live one in Santa Rosa when he picked up a lady check passer who, it is thought, may be the ace of forgers wanted in many cities of the United States. She was accompanied by a male companion who gave his name as DeMorton and registered at a hotel in Santa Rosa. With the couple was a child. The forgers were traveling in an expensive auto. They had cashed a number of checks in Santa Rosa, it is said, and Ryan by his clever capture has saved the merchants of Santa Rosa many dollars.

Frank Thierkoff, Glen Ellen barber charged with illegal possession of liquor, pleaded not guilty to the charge when arraigned in the justice court last week. He will be tried on December 14th. Thierkoff is at liberty on bail.

Sganzini and Felder played to a large crowd of sportsmen last Sunday on the Sganzini ranch. One hundred fine turkeys were up for prizes and those attending had a good day's shoot. A. L. Woodworth of St. Helena won the first turkey with his crack shooting. His wife and son also got a bird.

Dr. Fred O. Butler of the Eldridge home will spend Thanksgiving at his old home in Indiana, and soon after will leave for California. Dr. Butler expects to be back and will resume his duties at the Sonoma State Home on December 4th.

The quail season opens December 1st. Hunters are oiling up their old muskets and getting ready for the opening day.

The turkey shoo given by Storretti and Rhode on the Napa road Sunday brought together the champ marksmen of Sonoma county. One hundred fine birds were up for prizes and many a sharp shooter carried home a nice bird.

The annual turkey whist party given by the Sonoma Vista Improvement Club was largely attended last Saturday night and greatly enjoyed by local people, club members and out of town visitors. Dance music and entertainment was on the program. James Kearney won the door prize, while Mrs. B. Vietsen scored the champ whist player and won a big bird. Fine cats were served by the ladies of the club.

P. Basaglia, Sonoma contractor, is building a new concrete bridge on the Petaluma road near Oak Grove.

Mrs. Lippi and daughter Miss Olga returned to San Francisco Sunday after spending the week end at their Sonoma Vista country home.

Maffei Brothers, Sonoma's leading butchers, shipped to Santa Rosa on Monday a carload of steers, consigned to the Noonan Meat Company.

The Thanksgiving eve ball given by the Y. M. I. of Sonoma on Wednesday evening was a grand success, many neighboring city Councils sending delegations to be guests of the local Council. Fine music featured the dance, which was enjoyed by all who attended.

Mrs. P. Boche and daughter returned from San Francisco Monday after a several days' visit there. This was the pioneer El Verano woman's first visit to the big city in 20 years.

Mrs. T. Sperry of San Francisco is a guest of the O'Briens.

Earl Gosser, 22, escaped from the Napa State Hospital Sunday and was apprehended at El Verano after wandering about all night. Deputy Sheriff Mullen notified the officials of the Napa institution and they came for the young man and returned him to the hospital. Gosser, a native of Fairfield, has been at the hospital two years.

Bill Groves, arrested recently at Sonoma, and charged with threatening the life of a Sonoma lady, was sentenced last Saturday at Santa Rosa to serve six months in the county jail. Groves is the negro who some

that time made to organize the Sonoma lodge. The Order of Moose is one of the largest fraternal orders in the country and the coming of this organization to Sonoma Valley will be welcomed. John Fleming, after spending several days last week in San Francisco

visiting and transacting business, returned home Saturday. Mr. and Mrs. Frank Weimer of Oakland are visiting at the McCrae home in South El Verano. Mr. Weimer is an old stand-pat Democrat, having been born in New York City.

WINE PERMITS AND GRAPE SHIPMENTS

The reports from Washington, D. C., that all permits to make 200 gallons of grape juice are to be revoked has caused some apprehension in this and other grape growing centers that the edict will affect next year's juice grape shipments. The right given householders to make their 200 gallons since prohibition has been the one salvation of our vineyardists. Grapes have been in great demand and this year's shipments East were the greatest in the history of California. The grape growers and the wine makers of California faced ruin when prohibition went into effect and there are many wine men now who have padlocked cellars full of wine which they cannot sell but on which they must pay a tax. A product which once yielded them a splendid living and return on years of work and investment was outlawed almost over night. Cooperation in Cal-

ifornia filled with old wine of doubtful legal status is not available for fruit juice even if the owners were inclined to make it, so grape shipments to points outside of the State have been a boon to California growers. If permits to make 200 gallons are revoked it will entail great hardship on the industry.

The ruling can have no possible result but to increase the number of law breakers in the country, for our foreign population and natives of this country, too, who use wine in the home the same as tea or coffee will continue to do so. If the law is enforced rigidly, there will be more cases than ever in court, and there are now 24,000 on the federal calendar. According to the decision of the Circuit Court of Appeals the holder is within his rights under the Volstead Act when he makes fruit juice in the home for his own use, whether it ferments or not. Test cases have determined that point. If the present law is to take effect a-

gainst 200 gallon home makers, let it first be amended so as to settle all points now in controversy.

It is manifestly unfair to threaten revocation right after hundreds of householders who believed themselves within their rights have purchased grapes and crushed them. The New Yorker who bought Zinfandels and Alicantes from California and paid \$90 to \$125 per ton will not relish the idea of having his juice outlawed as soon as it ferments and probably confiscated or dumped.

The new ruling may precipitate something badly needed in the prohibition situation. Clarify the law and then enforce it, or expunge it. In the present condition it is intolerable.

The home spent dollar finds its way back into your pocket. Nuf sed.

You had much to be thankful for this Thanksgiving if you had your health. Folks who can digest Irish turkey are better off than those who can't digest a real one.

CAPTURED ASYLUM ESCAPE IN FOOTHILLS

An escape from the Napa State Hospital was captured in the western foothills Monday by Deputy Sheriff Mullen, who was called to the Wilbur Hall ranch to apprehend the peculiar acting young man who appeared at the ranch early Monday morning. Mullen found that he carried a red card indicating that he was a patient at Napa and immediately communicated with the authorities there. The patient was Earl Gosser, 23, and had been missing several days.

On Saturday night he wandered to the Pohm Brothers' ranch, where he was taken in by the kind hearted owners, given a good supper and put to bed. When his benefactors went to call him to breakfast, he had disappeared. The next seen of him was at the Hall ranch.

The Napa authorities came over Monday and took him back to the hospital.

With the absorption program of the Liberty Bank extending into the Sacramento Valley, where four banks were taken over by the Bank of Italy subsidiary Moncay, new interest in the activities of the big corporation was created in Sonoma county by reports that offers had been made for the First National Bank, Geyserville, and rumors that a Liberty Bank branch would be built in Cloverdale.

In the wake of the reported Geyserville negotiations came rumors that a new bank building was being contemplated in Cloverdale.

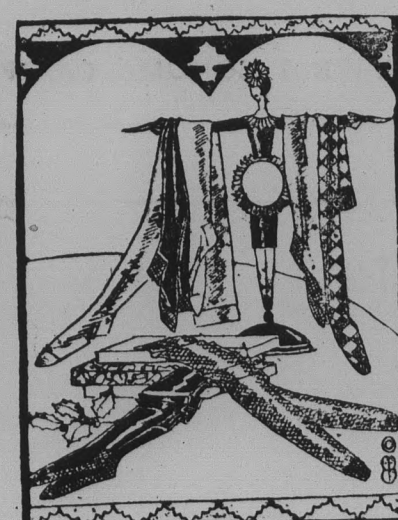

The acquisitions announced Monday are the Redding National First Savings Bank of Shasta County at Redding, a branch of that institution at Anderson and the Roseville Banking Company. The Liberty Bank is also trying to enter Sacramento.

Wood Heads Committee To Aid American Waifs In Philippines

MAJOR GENERAL LEONARD WOOD. MRS. MARY FRANCES KERN.

Following his formal endorsement, along with that of Chief Justice William Howard Taft and of hosts of other distinguished Americans, Major-General Leonard Wood, Governor General of the Philippines, has assumed the honorary chairmanship of the nationwide campaign for an endowment fund of \$2,000,000 for the American Guardian Association of Manila for the care of neglected and abandoned children of American blood in the Islands. Former Governor General W. Cameron Forbes, of Boston, accepted the general chairmanship.

With 18,000 such children there, the Association reports 4,000 on its books as requiring assistance, and 2,500 are desperate cases that must be aided promptly if these little blue-eyed, light-haired boys and girls, who are speaking likenesses of school children of the United States, are to be saved from the fate that has befallen so many of them—girls of twelve years traded to Chinamen for pigs, girls of eleven found blinded by disease, girls locked in chicken-coops, vermin covered, because they would not accede to the demands of their assumed native masters, boys practically in slavery at the lowest drudgery. Though giving freely to the extent of \$20,000 and more annually, big-hearted Americans in the Islands have been enabled to care for but 145 of this number.

Other officers and committees of individuals and organizations supervising the campaign include: Vice Chairmen: Major-Gen. James G. Harbord, New York; Martin Egan, New York; Cardinal Dougherty, Philadelphia; Bishop Charles Henry Brent, Buffalo; Major-Gen. Hugh L. Scott, U. S. A., retired. Finance Committee: Col. William G. Edens, Chicago; Chauncey McCormick, Chicago. Endorsement Committee: Chief Justice Taft, Rear Admiral F. S. Higginson, Robert Dollar, San Francisco; Capt. Wallace

Taylor, Redlands, Cal.; William Taylor, San Francisco; Carson Taylor, Los Angeles; G. A. O'Reilly, New York; William Poland, New York; D. E. Webster, New York; Lawrence M. Jay, New York; Judge D. E. Williams, San Francisco; Judge James F. Smith, formerly Governor General of the Islands; Newton W. Gilbert, formerly Vice Governor of the Islands; Archbishop W. J. O'Doherty, Manila; Bishop Charles E. Lockes, The Protestant Episcopal Church of America; C. W. Rosenstock, Grand Master of Masons in the Philippine Islands; Philippine Islands Conference Methodist Church; American Legion, Department of the Philippines; Manila Lodge, L. O. O. F.; United Spanish War Veterans, Department Philippines. Trustees of the Guardian Association include General Wood, S. Williams, W. J. Shaw, E. E. Wing, J. F. Maria, Very Rev. Francis X. Byrne, S. J., Major Gen. E. H. McRae, Col. E. E. Nathorst, Justice James A. Ostrand, Major Fred Damman, Major R. L. Foster, J. F. Heilbrunn, Mrs. Eugene A. Gilmore, and William T. Nolting, all residents of the Islands.

While local committees are being formed throughout the country, general headquarters have been opened by Mrs. Mary Frances Kern, who is in charge of the campaign with General Wood's approval, at 8 West Fortieth Street, New York City, where contributions may be sent.

Typical of organized and individual support being pledged was the action of the House of Bishops and the House of Deputies of the Protestant Episcopal Church, recently convened in New Orleans. After hearing Bishop Charles Henry Brent, who for years was in the Islands, they signed a declaration affirming that the efforts of the Guardian Association were entitled to "the support and co-operation of every Christian, fraternal and patriotic organization in the United States," and urging that citizens generally should "lend every assistance to the movement now in progress in this country to raise an endowment fund for the care, education and training" of these children of American blood.

WOMAN'S CLUB HAD A PROGRAM OF MUSIC

The Sonoma Valley Woman's Club had a very delightful afternoon on Friday of last week, the program being directed by Mrs. A. R. Grinstead and Mrs. Pauline Hays acting as club hostess.

Owing to the illness of two vocalists, Mrs. George Ordahl and Mrs. Ralph Hotz, the program was changed at the last minute, Mrs. Grinstead favoring those present with two songs in place of the two musicians who were unable to appear.

The program opened with piano numbers by Miss Grace Barr, who played a Spanish dance and the always popular "Narcissus," of Nevin. The young musician was the recipient of much applause.

Mrs. Grinstead's numbers were the "Winter Lullaby," of DeKoven, and "Love Is the Wind." Both songs revealed Mrs. Grinstead in splendid voice, her true mezzo soprano being well adapted to these numbers. In addition, she accompanied herself with her usual charm and ease, the brilliant accompaniment of "Love Is the Wind" being very delightful.

Lyle Campbell's violin numbers were Kreisler's "The Old Refrain" and Brahms' "Hungarian Dance," which were rendered with the true tones and technique of an artist.

Two duets, "What Makes the World Go Round," and "Just Because You're You" were sung by Mr. and Mrs. A. R. Grinstead, and proved very popular.

Tea and home made cakes were served during the afternoon by Mrs. Hays and assistants.

At the business meeting preceding the musicale, a motion was passed commending Mrs. Campbell, county federation president, for her effort to interest the club women of Sonoma Co. in erecting a memorial to General Vallejo in Sonoma.

Jerome Cross of the Santa Rosa schools was speaker at the Kiwanis weekly luncheon here on Tuesday.

NOTED PAGEANT DIRECTOR HERE

Garnet Holme, noted pageant director, who arrived from the South this week and is enroute to the Grand Canyon, Arizona, will be a guest over the week end at the home of Mr. and Mrs. Walter Murphy.

AUTO FERRY WAR LOOMS

Another outbreak in the "war" between the Golden Gate Ferry Company and the Northwestern Pacific railroad is expected to be staged at Tiburon, according to indications at the present time.

When the Golden Gate ferry entered the San Francisco-Sausalito field and drew practically all of the automobile ferry business away from the railroad company, the N. W. P. then sought new fields.

More than a year ago the N. W. P. obtained a franchise to operate a ferry line between Taylor street, San Francisco, and Tiburon, where it maintains its freight yards and has extensive property and interests.

The State Highway Commission, acting on the promise of the railroad company that it would have boats operating between Tiburon and San Francisco "within a year," widened, straightened and otherwise improved the highway between Tiburon and Alto, where it connected with the main state highway.

But the N. W. P. never started operations on the Taylor street-Tiburon run, and now it is announced that because the franchise was not used within one year after its issuance, that it has been cancelled.

Reports are that both the N. W. P. and the Golden Gate Ferry are seeking extensive water frontage, the former to keep out prospective ferry competition and the latter to enter the Tiburon field.

Harvey M. Toy, chairman of the highway commission, states that not one cent more will be spent on the Tiburon-Alto road until the N. W. P. has fulfilled its agreement.

After the Horse Has Been Stolen

Persons become famous for a variety of reasons. One man—his name has long been forgotten—will live forever in fable because he locked the stable door after the horse had been stolen.

The time to rent a Safe Deposit Box in the Mercantile is before valuable papers are lost or stolen, not afterwards. Mercantile Safe Deposit Boxes afford absolute protection, and the cost is trifling.

THE VALUE OF A HOUSEHOLD INVENTORY

Every home owner should inventory his household possessions at least once a year. All prized rugs, furniture and the valued equipment should be represented in your home insurance, should it be destroyed or damaged by fire, water, smoke, wind or other cause. TURKEY WHIST PARTY WAS BIG SUCCESS

The turkey whist party given by the Sonoma Vista Improvement Club last Saturday night was a big success, the club house being crowded to capacity. Thirty tables of whist players were accommodated and all had a fine time. The door prize, a fine turkey, was won by James Kearney. Winners at whist included the following: Miss B. Vietsen, first prize, a turkey; Mrs. E. A. MacDonald, Miss J. Donovan, Mrs. Ostrum, Mrs. Thomson, Charles R. Taylor.

After the card game there was dancing, which continued until the wee small hours. Delicious eats furnished by the ladies of the club were enjoyed by the merry makers.

About \$200 was realized and will be applied to the upkeep and debt of the club house, which was among the first buildings restored at the Springs after the fire.

FOUND DEAD IN HIS BED AT PETALUMA

Arthur W. Pooley, the well known piano tuner and expert, was found dead in his bed Tuesday at the American Hotel, Petaluma, after Mr. Pooley had failed to respond to a knock on his door. When the door was finally unlocked, one glance showed that the estimable citizen was dead and the chambermaid who entered the room at that time fell in a faint.

Mr. Pooley was lying on his left side and from the appearance of his body had been dead for at least eight or ten hours. He had been reading after retiring and the paper lay near his pillow, the light having been extinguished so it is believed that he died as he slept without struggle or pain.

Deputy Coroner William Sorensen was notified and immediately took charge of things and then left by auto for Mill Valley to notify the wife and daughter of the death.

Mr. and Mrs. Pooley only a year ago celebrated the 50th anniversary of their marriage. He and his wife but recently returned from a long sojourn at Monterey and Santa Cruz.

Mr. Pooley, a member of a prominent English family, was a native of England but had lived in this country for many years. He often came to Sonoma Valley, where he kept many pianos up to standard.

Besides the widow a daughter, Miss Edith Pooley, talented pianist and teacher of Mill Valley, and also a married daughter are left to survive genial Mr. Pooley. The funeral was conducted by Christian Scientists at Petaluma Sunday.

GAVE PARTY TO THEIR SON

Mr. and Mrs. Beers of the Hyde Tract gave a party last Saturday evening in honor of their son, a popular high school student. About 40 young folks and neighbors were present and enjoyed a delightful evening. The beautiful old English house built by the Erskiners some years ago adapts itself wonderfully to entertaining and with the holiday spirit in the air, the occasion was most enjoyable. Games, dancing and refreshments were the order of the evening.

NEWS OF PIONEER DAUGHTER

Mrs. L. C. Lewis of Oakland, a daughter of a Sonoma Valley pioneer, the late Nicholas Carriger, is recovering nicely from her recent fall and is now able to walk alone and get out without the aid of her cane. She had all her family, both the Ollivers and Hoens, with her over the date of the big football game, and anticipated a pleasant Thanksgiving.

THANKSGIVING GUESTS AT COWGILL HOME

Mr. and Mrs. George Hopkins of Redwood City were Thanksgiving guests at the home of Mrs. Hopkins' aunt, Mrs. M. J. Cowgill. Mrs. Hopkins formerly resided here in Sonoma where her first husband, the late Rev. Kirkland, was pastor of the Congregational church.
